Hi Kerry, Bonnie, and Mike,

Thanks for reaching out. I looked at calendars; the early part of the week is a bit bad – but Tues or Wed (April 4 or 5) at 11 am would work; also for me Thursday is open as is Friday (at least in the morning).

Hope this helps.

Betsy

Subject: Scheduling a Call re: CCR Session at ASTSWMO Mid-Year Meeting

Good morning Betsy,

I'm checking in with you about scheduling a call with ASTSWMO's CCR Ad Hoc Workgroup to discuss issues for the CCR session that will be held at ASTSWMO's Mid-Year Meeting next month. At the time of our last conversation in February, it was anticipated that technical issues and a revised Q&A document might be able to be shared by the beginning of April.

Are there some dates and times during the first week of April that work for you for a call with the Workgroup? I'm copying Bonnie Buthker and Mike Forbeck, Workgroup Co-Chairs, on this e-mail.

Also, is it possible for us to receive the revised Part 257 checklist?

The CCR session, which will be closed, is scheduled on April 26 from 1:30 - 2:45 PM; following is the excerpt from the current draft Mid-Year Meeting agenda:

April 26, 2017, 1:30 – 2:45 PM Materials Management Session
Closed Session for State and Federal agency representatives only
Topic: CCR Rule Implementation
Moderated by: Bonnie Buthker (OH) and Mike Forbeck (PA)

This session will focus on key issues involved with implementation of the EPA Coal Combustion Residuals (CCR) rule in light of the recent passage of CCR legislation.

Thank you.
Kerry
